

§ 2372.2

(6) The extent to which the lands have been decontaminated or the measures taken to protect the public from the contamination and the proposals of the holding agency to maintain protective measures.

(7) The extent to which the lands have been changed in character other than by construction of improvements.

(8) The extent to which the lands or resources thereon have been disturbed and the measures taken or proposed to be taken to recondition the property.

(9) If improvements on the lands have been abandoned, a certification that the holding agency has exhausted General Services Administration procedures for their disposal and that the improvements are without value.

(10) A description of the easements or other rights and privileges which the holding agency or its predecessors have granted covering the lands.

(11) A list of the terms and conditions, if any, which the holding agency deems necessary to be incorporated in any further disposition of the lands in order to protect the public interest.

(12) Any information relating to the interest of other agencies or individuals in acquiring use of or title to the property or any portion of it.

(13) Recommendations as to the further disposition of the lands, including where appropriate, disposition by the General Services Administration.

§ 2372.2 Report to General Services Administration.

The holding agency will send one copy of its report on unneeded lands to the appropriate regional office of the General Services Administration for its information.

§ 2372.3 Return of lands to the public domain; conditions.

(a) When the authorized officer of the Bureau of Land Management determines the holding agency has complied with the regulations of this part, including the conditions specified in § 2374.2 of this subpart, and that the lands or interests in lands are suitable for return to the public domain for disposition under the general public land laws, he will notify the holding agency that the Department of the Interior accepts accountability and responsibility

43 CFR Ch. II (10–1–13 Edition)

for the property, sending a copy of this notice to the appropriate regional office of the General Services Administration.

(b) [Reserved]

Subpart 2374—Acceptance of Jurisdiction by BLM

§ 2374.1 Property determinations.

(a) When the authorized officer of the Bureau of Land Management determines that the holding agency has complied with the regulations of this part and that the lands or interests in lands other than minerals are not suitable for return to the public domain for disposition under the general public land laws, because the lands are substantially changed in character by improvements or otherwise, he will request the appropriate officer of the General Services Administration, or its delegate, to concur in his determination.

(b) When the authorized officer of the Bureau of Land Management determines that minerals in lands subject to the provisions of paragraph (a) of this section are not suitable for disposition under the public land mining or mineral leasing laws, he will notify the appropriate officer of the General Services Administration or its delegate of this determination.

(c) Upon receipt of the concurrence specified in paragraph (a) of this section, the authorized officer of the Bureau of Land Management will notify the holding agency to report as excess property the lands and improvements therein, or interests in lands to the General Services Administration pursuant to the regulations of that Administration. The authorized officer of the Bureau of Land Management will request the holding agency to include minerals in its report to the General Services Administration only when the provisions of paragraph (b) of this section apply. He will also submit to the holding agency, for transmittal with its report to the General Services Administration, information of record in the Bureau of Land Management on the claims, if any, by agencies other than the holding agency of primary, joint, or secondary jurisdiction over
